This pack contains music tracks especially made for fantasy, adventure, RPG or medieval games. It includes several loopable tracks destined for many situations such as: village, alchemist's laboratory, meadow, desert, snow/winter, tavern, holy chant, lullaby, shrine, tribe, cave, foggy forest, action and boss.

It also contains short music tracks for positive, neutral and negative events – like victory fanfares, items found, and game over.

Notes:

- there are 3 action loops (*Adrenaline Blasts*) in 3 versions each, accordingly to different intensity levels, totalizing 9 unique tracks;
- there are 6 positive events tracks, 6 negative, and 4 neutral, in 3 versions each (2 versions for the neutral events), accordingly to different intensity levels, totalizing 44 unique tracks;
- all files are stereo, 44.1 kHz, 16 bit, WAV.
